

CDBG-DR4451

PUBLIC HEARING NOTICE

St. Charles County Government anticipates applying for **Disaster Recovery (DR)** funds through the **Federal Community Development Block Grant (CDBG) program** to assist homeowners recovering from flooding that inundated approximately 90,000 acres across the county from April 29 to July 5, 2019 (Federal Disaster 4451-DR-MO). If the application is successful, the County will use the funds to purchase flood-damaged homes to reduce the impacts of future flooding by removing homes located within flood zones designated by the Federal Emergency Management Agency (FEMA). Purchases would be considered only on interest and consent of the homeowner.

St. Charles County Government will hold a meeting to inform residents about the Local Voluntary Buyout Project (LVBOP). This meeting will help the County staff define the Buyout Zone by determining the public interest and desire to participate in the LVBOP.
